Because of the complex interrelation and overlapping of the various extracurricular activities and interests, many of the articles listed here might properly have been classified under a number of headings. To have listed items more than once would have been confusing, and so they have been placed arbitrarily according to the arrangement that seems most logical. Cross references have not been made, because they would be too numerous for space available and too involved for convenient use.

Items appearing in such departments as As the Editor Sees It, News Notes, and Comedy Cues are not listed in this volume index.

Summer Workshop in Theatre and Radio

MacMurray College for Women
 (Open to High School Girls)

JULY 6 .. JULY 30, 1949

The Summer Workshop offers unique opportunities for intensive experience in theatre and radio planning and production to talented high school girls. High School students who are selected for admission will work with regular college students in the production of plays and radio programs.

Certificates attesting students' proficiency will be issued at the end of the session.

For Application Blanks and Booklet describing Summer Theatre write:
